IMPORTANT INFORMATION FOR APPLICANTS

You must complete this application in full and file it no later than April 30 of the year you are applying for restricted-use timberland appraisal. It is not necessary to file a separate application for tracts containing zone(s) and/or on which timber has been harvested. For good cause, the chief appraiser may extend the filing deadline for not more than 15 days. Failure to file on time makes the land ineligible for the restricted use appraisal for the current year. If your application is granted, you do not need to file again in later years unless the chief appraiser requests a new application, the ownership of the land changes, or the standing timber is harvested.
